## Tuition Information 2024/2025

Tuition is an annual cost that is divided into monthly payments, July through June. It is required that all tuition payments are made through FACTS, our tuition management company. Each family registers directly with FACTS for an assigned date and automatic payment.

Past due accounts jeopardize the standing of students in school. If payment of tuition becomes a challenge, please contact the Principal immediately so that a plan can be worked out. Delinquent accounts may be referred for professional collection.

In addition to the responsibility of tuition, each family is required to do 40 Service Hours per school year. Five of these service hours must be the required "Fiesta 5" service hours. Each service hour carries a **\$16.50** value. Any hours not completed will be billed to the family account. The Service Hour program invites parents/guardians to become an active member of our School community. Service Hours benefit our students, teachers, staff, and school. If you do not want to participate in the Service Hour program, you can choose to opt out for a fee of **\$25.00 for each** opted out Service hour. Incompleted service hours will be billed at **\$25.00** per hour at the end of the school year.

The Annual Student Fee is **\$350.00** per student. ***This fee reserves the student's spot and is non-refundable.*** This fee covers the cost of Gradelink registration, student insurance, textbooks and other academic programs. Other school fees may include After School Care, Hot lunch, Sports, Sacrament and Graduation. Questions about fees may be directed to the School Office.
