Tuition Policy 2026/2027

Tuition is an annual cost that is divided into monthly payments from July through June. All tuition payments must be made through FACTS, our tuition management company. Each family must register directly with FACTS and select an automatic payment date. Timely payment is essential. Past-due accounts may jeopardize a student's standing at school. If you are experiencing financial difficulty, please contact the Principal immediately to discuss possible arrangements. Delinquent accounts may be referred to a professional collections agency if no resolution is reached.

Service Hour Requirement In addition to tuition, each family is required to complete **40 Service Hours** per school year. This program encourages parents/guardians to actively support our school community—benefiting students, teachers, staff, and school-wide initiatives.

Important Details:

- **5 of the 40 hours** must be dedicated to the required “**Fiesta Fundraiser**” event.
- Each service hour is valued at **\$17.00**.
- Any hours not completed by the end of the school year will be **billed at \$25 per hour**.
- Families may choose to **opt out** of volunteering and **pay the full 40 hours at \$25/hour** (\$1,000 total). We appreciate your time, involvement, and support!

The Annual Student Registration Fee is \$350.00 per student. This fee is non-refundable and reserves the student's spot for the upcoming school year. It covers the cost of Gradelink registration, student insurance, textbooks, and other academic programs. Additional school fees may include charges for After School Care, Hot Lunch, Sports, Sacrament preparation, and Graduation expenses. If you have any questions regarding fees, please contact the School Office directly.
